City of Sammamish Transportation Committee
Friday, October 7th – 9:30 a.m.
Executive Conference Room 111- Sammamish City Hall

Called to Order:

Committee Chair Tom Odell called the meeting to order at 9:35 am

Committee Members Present: Tom Odell (Chair)
Christie Malchow
Bob Keller

Committee Members Absent: None

Other Council Members Present: None

Staff Present: Jessi Bon, Deputy City Manager
Steve Leniszewski, Public Works Director
Andrew Zagars, City Engineer
Michelle Martin, Administrative Assistant (Recording Secretary)

Others Present: Jeff Clark (ESFR Fire Chief)
Paul Stickney (Citizen)
Mary Wictor (Citizen)

Opening Comment – Chairman Odell:

Approval of Meeting Minutes:

- September 16th approval of minutes *deferred* until next meeting on October 19th, 2016.

2017-2018 Public Works/Major Transportation Plans:

- Workload Planning and Prioritization Plan presented by Jessi Bon
 - Discussion of work plan and staffing needs.
 - Identified roadmap for Prioritization planning to include Transportation Master Plan.

Project Updates:

- Steve Leniszewski and Andrew Zagars provided brief updates on construction projects:
 - Inglewood Hill Road Construction Update
 - Underground work complete
 - Walls and catch basins in place
 - Final paving set for next summer (2017) with grant resources
 - Issaquah Fall City Road
 - Consultants have been working on 30% design and staff will work on construction traffic.
 - WB traffic more significant than projected during construction
 - Discussions of secondary access pending
 - SE 4th Street
 - Executive session pending to discuss details of project property needs
 - STCA and TRF (private developers) will be contacted referencing internal traffic movements

- Utilities and bus pull outs need more attention, detail and discussion.
- 228th and the Town Center Corridor may need widening
- Sahalee Way
 - Open House planned for 10/19, 6pm – 7:30pm at Boys and Girls Club
 - Meetings have begun between HOA's and Senior Staff.
 - Varied concerns: Walkway to Park, Pedestrian Safety, Traffic Signal at 28th Ave NE.

Follow-Up on Coordination Meeting:

- City of Redmond
 - Two-fold meeting
 - Looked at Traffic Management Center; insight on future needs for Sammamish
 - Reviewed discussion of Connections, signal interaction, improvements, phasing loops
 - Continued work pending on tying our ITS together
- King County
 - Catch up meeting plans to meet quarterly
 - Exchange of information on our projects and theirs
 - Discussion of orphan roads they'd like to donate like "The Notch" and the North end on Sahalee Way near SR202.
 - Staff has submitted to the County design engineers to repaint and extend turn pockets onto 228th Ave NE. King County Engineers are looking into if we have enough existing asphalt room on edges of the road.

Eastside Transportation Partnership (ETP)

- Reminder
 - Technology Conference December 2nd, Meydenbauer Center

Public Comment:

- Mary Wictor
 - Ms. Wictor submitted verbal requests on Road Pavement, Public Works Standards, Stormwater, 210th Avenue trench failure, culverts, roads and intersections. Due to the length of the requests, she was asked to provide them to the City and/or City Council in writing.
- Paul Stickney
 - Mr. Stickney has conferred with his consultants and taken as a whole, he notes that data he has collected support the odds that there will not be a huge traffic increase over time.

Next Meeting:

Wednesday, October 19th, 9:30-11:30 am

Meeting Adjournment:

Meeting adjourned at 11:33 am
